

KLIBEL 2013

The conference will bring together scholars and practitioners who are interested to present their papers in area of economics, finance, marketing, banking, accounting, business law and other related topics. This opportunity could be used as a way to broadening their international networks. For details of research areas, please look at major field of research. All papers must be submitted online and are subject to blind-peer review of our committee. All presented papers will be published in a proceeding with ISBN. We will provide you a letter of acceptance or invitation letter for your visa application or financial sponsorship from your institution. Therefore, you are encouraged to submit your paper at the earliest time possible.

The conference organizer is cordially invites academics, practitioners, scholars, researchers, policy makers of any government to present their papers in KLIBEL 2013. Papers should be submitted through online and will be blind reviewed by two reviewers.
